IN THE CIRCUIT COURT OF THE NINETEENTH JUDICIAL CIRCUIT
IN AND FOR INDIAN RIVER, MARTIN, OKEECHOBEE, AND ST. LUCIE COUNTIES,
STATE OF FLORIDA

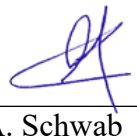

**ADMINISTRATIVE ORDER 2026-06**

**IN RE: RESCISSION OF ADMINISTRATIVE ORDER 2025-10; USE OF ARTIFICIAL INTELLIGENCE IN COURT FILINGS**

On May 28, 2026, the Supreme Court of Florida issued AOSC26-12, *In re: Representations by Signers of Filings*, and amended Florida Rule of General Practice and Judicial Administration 2.515(d)(2) pursuant to *In re: Amendments to Florida Rule of General Practice and Judicial Administration 2.515*, No. SC2026-0673 (Fla. May 28, 2026), both effective June 15, 2026. Together, these actions establish a uniform statewide framework governing artificial intelligence disclosure and certification requirements in court filings. AOSC26-12 expressly provides that circuit courts may not impose such requirements through local administrative orders or other means, and that courts should instead rely on amended Rule 2.515(d)(2).

Accordingly, Administrative Order 2025-10, In re: Use of Artificial Intelligence in Court Filings, is hereby **RESCINDED**, effective June 15, 2026, at 12:01 a.m.
All parties and counsel shall review and comply with Florida Rule of General Practice and Procedure 2.515, as amended and effective June 15, 2026, and as may be amended thereafter. Consistent with that Rule, signers are reminded that they bear full responsibility for verifying the existence and accuracy of every legal authority cited in a filing, and that violations may result in sanctions as set forth therein.

**DONE AND ORDERED** at Ft. Pierce, St. Lucie County, Florida on this 16th day of June 2026.
