PROBATE/GUARDIANSHIP PROCEDURES FOR NASSAU COUNTY[1]

All probate and guardianship matters are handled by Senior Judge Robert M. Foster. Judge Foster typically handles probate hearings one Monday per month. It is the Court's preference that proposed orders be submitted via the e-portal. Instructions on how to submit proposed orders via the e-portal can be found at https://www.jud4.org/proposed-orders-efiling

Senior Judges do not have assistants. **Sarah Meeks, Judge Charbula's assistant, will primarily handle the processing of proposed orders (via the portal). Ashley Strickland, Judge Fahlgren's assistant, will primarily handle the scheduling of hearings.** To secure a hearing date, please email Ashley Strickland at astrickland@coj.net. Judge Foster's preference is that hearings be conducted via **Zoom** at the link listed below. In-person hearings are generally held in the Grand Jury Room on the third floor of the Robert M. Foster Justice Center.
